Nevada Health Link's Open Enrollment Period Starting Today**

Nevadans can now shop 126 plans through seven carriers on NevadaHealthLink.com

WHAT: Open enrollment begins today on NevadaHealthLink.com, the online health insurance marketplace operated by the state agency, the Silver State Health Insurance Exchange (Exchange), that connects Nevadans to quality, affordable health and dental plans. For this Plan Year 2022, Nevadans can shop 126 qualified health plans. All plans are designed to fit each individual's budget and health needs.

This open enrollment period, Nevada Health Link is partnering with seven insurance carriers, two of which are new to the Exchange this year. Returning carriers include Health Plan of Nevada (HPN), SilverSummit, Anthem HMO Nevada, SelectHealth and Friday Health Plans, while Aetna Health and Hometown Health Plan are new to the Exchange. Consumers can also explore 20 qualified dental plans among six dental carriers. Nevada Health Link also partners with VSP to offer vision plans. Qualified health plans are available in all counties across the state. Thanks to the American Rescue Plan Act, passed by Congress and signed by President Biden on March 11, 2021, there is an increase in tax credits available to help lower the costs of monthly premiums.

"The passing of the American Rescue Plan Act allows Nevadans to continue to receive increased subsidies when they enroll in health insurance plans through Nevada Health Link," **said Silver State Health Insurance Exchange's Executive Director Heather Korbolic.** "Additionally, NevadaHealthLink.com is the **only** place consumers can access federal financial assistance (subsidies) to help offset the costs of insurance. In fact, 90 percent of applicants who purchase a plan through the Exchange are eligible for financial assistance."

“Every eligible Nevadan, including healthy Nevadans, should be covered by health insurance, to protect their health and to avoid financial ruin in case of an emergency health situation,” **said Governor Steve Sisolak**. “The Open Enrollment Period is the best time, and one of the only times, for Nevadans to explore and shop plans through Nevada Health Link. Even Nevadans who are already insured with a plan through Nevada Health Link should consider looking at the new plan options. Nevadans might find there are new plans offered that better suit their needs.”
