# Plan Certification Update

- The Draft Plan Year 2023 Letter to Issuers is currently in DRAFT form and still undergoing internal review. Once the review is complete, this letter will be sent out and will be published on our Carrier Resources page of the Nevada Health Link website. The draft letter welcomes public comment on the proposed guidance, as outlined in the letter, for a period of 30 days
- The Plan Year 2023 Intent to Sell and Intent to EDI Test carrier onboarding forms are also undergoing internal review and should be available on the [Carrier Resources](#) page of our website by close of business today, Feb. 8<sup>th</sup>.
- The Intent to Sell form is required from all carriers who intend to offer plans on Nevada Health Link in 2023, including both new and returning carriers. The Intent to EDI Test is only for new carriers who did not offer plans in 2022.
- **PLEASE NOTE:** The Intent to Sell and Intent to EDI Test forms submission due date to the Exchange is March 1, 2022. Please submit the forms via email to [mranson@exchange.nv.gov](mailto:mranson@exchange.nv.gov) and [pmanagement@exchange.nv.gov](mailto:pmanagement@exchange.nv.gov).

# NevadaHealthLink.com Website Links

- In order to ensure that carriers can easily access the most recent version of any technical or reference document on our website, SSHIX uses shorthand “permalinks” (e.g. <https://nevadahealthlink.com/834-companion-guide>) rather than full links to the document filenames (which contain information specific to the version number and release date). This allows for a concise set of links that never need to be updated and always point to the most recent version of a given document.
- A recent change to our website resulted in permalinks redirecting the user to a landing page with a “Subscribe” button, rather than linking directly to the document as they had done before. SSHIX is currently working with our website vendor to resolve this problem as soon as possible.
- In the meantime the PDF documents can still be accessed by clicking on a thumbnail version of the document a few inches below the “Subscribe” button, and Word or Excel documents can be accessed by clicking on the filename of the document (which is also displayed a few inches under the “Subscribe” button).

# Update to RCNI File Format

- Recently SSHIX was made aware that CMS had adopted a new RCNI file format, which contains additional columns not found in SSHIX's current implementation.
- Two of these new columns—Cancellation Reason Code and Termination Reason Code—would greatly improve the efficiency of the monthly reconciliation process, so SSHIX has decided to adopt the new format concurrent with the October 2022 RCNI/Discrepancy Report cycle.
- Carriers will be required to submit an RCNI file in the new format to a test region in Aug/Sept. Additional details will be provide in the coming weeks as SSHIX finalizes the implementation plan with our vendor.
- Please note that the current version of SSHIX's Recon Guide (v21.09.00.NV1) already describes the new RCNI format, which is part of the reason why SSHIX is anxious to make the change. A complete technical reference on the new format, including a glossary of Cancellation/Termination reason codes, can be found in Section 4 of this document.

# January Discrepancy Reports

- As is typical for the first few months of each year, SSHIX is seeing a lot of Plan Year 2022 discrepancies which are the likely result of timing issues (e.g. effectuations, voluntary dis-enrollments/re-enrollments, etc.).
- For the January and February Discrepancy Report cycles, SSHIX is asking carriers to please focus their efforts on outstanding Plan Year 2021 discrepancies in the following order of priority:
  - Subscriber Benefit End Date
  - Monthly APTC
  - Monthly Premium
- Beginning with the March cycle, our focus will shift to Plan Year 2022 discrepancies, particularly those discrepancies which may have resulted from new enrollments which were cancelled for non-payment.

# February RCNI Submission

- The next RCNI Submission Deadline is **Monday, February 21st**
- All carriers are expected to submit a Plan Year 2022 RCNI in February. Returning carriers should additionally submit a Plan Year 2021 RCNI.
