AGENDA

I. Presentation and public comment

- a. The purpose of this public comment workshop is to solicit feedback on the Silver State Health Insurance Exchange's (SSHIX) proposed Language Access Plan that has been drafted in compliance with [Senate Bill 318 \(SB318\)](#), that was signed into law during the 2021 Nevada Legislative Session. This requires that all state agencies create a Language Access Plan (LAP) to improve access to government services, programs, and information for Nevadans with limited English proficiency. This also complies with [NRS 232.0081](#). Within SB318 and NRS, each agency of the Executive Department shall: Solicit public comment concerning the language access plan. See attached the SSHIX proposed LAP for public comments.
- b. Public Comment regarding the subject matter.
The workshop presenter will indicate when live public comment will be taken. Persons making comments will be asked to begin by stating and spelling their name for the record. Public comment may be limited to three minutes per speaker and limited to the topic presented on this agenda.

Forum restrictions and orderly business: The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks that antagonize or incite others are examples of public comments that may be reasonably limited.

II. Adjournment

Discussion of any item raised during public comment is limited to that necessary for clarification.

Note: Items on the agenda may be taken out of order. Items may be pulled or removed from the agenda at any time, and items may be combined for consideration.

Public comment may be limited to three minutes per person at the discretion of the workshop lead. Members of the public may not comment on matters not appearing on this agenda. Public comment remarks are to be limited to the subject presented.

The Exchange is exempt from Chapter 233B according to NRS 233B.039 and is not required to comply with the Nevada Administrative Act in this process. This meeting is conducted by the Exchange staff for the purposes of NRS 241 related to Nevada Open Meeting Law but every effort is made to be transparent in notice and information provided to encourage public awareness and participation.
